- ★ Twirling games and prizes!
- ★ For Senior Twirlers: Intro to Judging! A class will be offered for any camper age 15 + to view competition from the other side of the table. Learn what the judge is looking for, what a “master sheet” is, how judges score. Apply the information to your current performances—and find out if becoming a certified judge is in your future.
- ★ Performance Opportunity for Competition Athletes: Every camper receives one “performance opportunity” with a certified judge. A mock ‘competition’ lane will be set up with a judge’s table to mimic a competition setting. Campers will perform their routine (solo, strut, 2Baton, etc)—start to finish—just like a competition. The judge will score the performance and give feedback for improvement. One performance opportunity is included with each daily registration; campers may purchase up to one additional performance opportunity per day.
